

BATTERY CARTRIDGE DATA SHEET

VAULT 48-VOLT BATTERY CARTRIDGE SERIES

Part Number: VTBC-1500-48

Description:	48 Volt DC Battery Cartridge for use in Marathon Power VAULT Series 1500VA, Tower, Uninterruptible Power Supplies
Battery Type:	Sealed, lead-acid
Rated Capacity:	36W
Nominal Voltage:	48V DC
Mechanical:	Steel construction with Anderson Power-Pole DC Connectors
Dimensions:	2.6" x 6.25" x 15.4"
Weight:	23.58 lbs.
Environmental:	Ambient Temperature range +32°F to 104°F(0°C to 40°C) Optimum Temperature range +59°F to 77°F(15°C to 25°C)
Standards and Compliance:	UL94HB; UL94V0 (batteries)

Typical Installation / Removal:
